College of Engineering Trivandrum

College of Engineering Trivandrum was established in 1939 as the first engineering college in the Travancore State. Over the past 77 years it has grown to the most sought -after institute of engineering studies in the State of Kerala. The college has eight full -fledged engineering departments offering eight undergraduate, 27 postgraduate and Ph.D. programmes under the University of Kerala and Kerala Technological University. The college has more than 3500 students, 285 teaching staff and 290 non - teaching staff. Ever since the inception, the college has maintained its commitment to high quality education. It has a vast and strong alumni base, spread across the globe.

Department of Computer Science & Engineering

The department was started in the year 1984. From its humble beginnings, the department has grown tremendously and has evolved into one of the foremost units of the College. The department presently offers one regular B.Tech program, one part time B.Tech program and two M.Tech programs. The department has a long tradition of producing technically competent graduates and the alumni of the department are often high achievers, occupying prominent positions in the industry as well as the academia in India and abroad.

Course Objective

This programme aims the candidates to acquire the knowledge, skill competencies, attitudes and values to function effectively in their professional field.

- Give hands on training to the participants to implement various network topologies, authentication schemes and security policies
- Equip the participants to apply the knowledge, techniques, skills, and modern tools in network maintenance and applications

Course Content

- Introduction to Networks
- LAN Switching
- IP Addressing
- IP Routing
- IP Services
- Network Security

Faculty

Experts from industry will handle the theory and hands-on sessions

Eligibility

Technical staff from AICTE approved Govt./Aided/Govt. Self Financing Engineering Colleges and Polytechnics who administer, manage and maintain computer networks of the institution.

How to apply

The Application Form can be downloaded from **www.cet.ac.in**. Filled up application duly recommended by the Head of the Institution should reach the co-ordinator on or before 4th January 2018.**Advance copy of the application must be sent through eMail** (**sttp.cse@cet.ac.in**). The selected candidates will be intimated through e-mail.

There will be no registration fee.

TA/Accommodation

Participants have to make their own arrangements for travel, boarding and lodging. TA and lodging charges of the participants will be distributed as per the existing Government norms.
